

how do I have to cite this?

Posted by adehocos - 2009/07/07 10:46

Hello! It seems like I finally solved all my technical problems (I hope so), but now I am writing the report of my research and I don't know how I am supposed to cite the document The Soil Infiltration Model in KINEROS downloaded in <http://www.tucson.ars.ag.gov/kineros>, can you help me?

And, what about the rest of them? (just in case I need them).

Thanks a lot in advance,

Ana

Hi Ana,

Glad to hear you've gotten everything working. Thanks for asking about citations for KINEROS and AGWA. Please use the following:

FOR KINEROS:

Semmens, D.J., Goodrich, D.C., Unkrich, C.L., Smith, R.E., Woolhiser, D.A., Miller, S.N., 2008. KINEROS2 and the AGWA modeling framework. In: Wheeler, H.S., Sorooshian, S., Sharma, K.D.(Eds.), Hydrological modelling in arid and semi-arid areas. Cambridge University Press, Cambridge, pp. 41–48.

FOR AGWA:

The User Manual:

Scott, S.N., I.S. Burns, D.J. Semmens, L. Levick, S.N. Miller, M. Hernandez, D.C. Goodrich, W.G. Kepner. 2006. Automated Geospatial Watershed Assessment (AGWA) - A GIS-Based Hydrologic Modeling Tool: Documentation and User Manual; U.S. Department of Agriculture, Agricultural Research Service, ARS-1446.

Or:

Miller, S.N., Semmens, D.J., Miller, R.C., Hernandez, M., Miller, W.P., Goodrich, D.C., Kepner, W.G., Ebert, D., 2002, GIS-based hydrologic modeling: The Automated Geospatial Watershed Assessment Tool. Proc. 2nd Federal Interagency Conf. on Hydrologic Modeling, July 29 - Aug. 1, Las Vegas, NV.

Thanks,

Lainie
